

In the Technical Training Market, Reputation is Everything!

And here's how we earned ours . . .

By delivering top-quality training to thousands of IS professionals working in a broad range of industries, from banking and government to manufacturing, food processing and communications, ProTech has accumulated a list of impressive references. Over the past fifteen years, we have built a customer base of Fortune 1000 companies. Because of our reliability, attention to detail, knowledgeable instructors, and dedicated Account Managers, most of our clients are repeat customers. We are confident that ProTech is the best choice to train your staff to effectively manage your evolving legacy systems as well as emerging technologies.

We continue to be an expert resource for training in Mainframe Systems, Operations, and Applications areas while aggressively keeping pace with the growth of Client/Server, Distributed Systems, and Internet technologies. ProTech is currently regarded as the leading expert in Enterprise Systems Management Automation (ESM&A).

2005 Course Evaluation Summary

But don't take our word for it--see what our students are saying about us . . .

"This was an outstanding course with a quality instructor who merged "real world" experience with course materials."
 "Best teacher I've had in a long, long time. What a pleasure!"
 "The instructor did an excellent job of tailoring this class for us."
 "The instructor was so much fun! Great energy and an amazing learning experience. Thank you!"
 "Another great course from a great instructor. Thank you ProTech."

Course Evaluation	Excellent	Very Good	Good	Fair	Poor	% of Students Rating Course Good to Excellent
Overall Course Evaluation	49.02%	38.88%	10.67%	1.23%	0.21%	98.56%

Instructor Evaluation	Excellent	Very Good	Good	Fair	Poor	% of Students Rating Instructor Good to Excellent
Knowledge of Subject	78.73%	20.63%	0.49%	0.07%	0.07%	99.85%
Appropriate Pace	55.77%	37.94%	4.43%	1.61%	0.24%	98.14%
Maintained Interest	59.14%	36.33%	3.35%	0.95%	0.22%	98.83%

In 2007, we trained over 12,000 students. As you can see, our courses and instructors have consistently exceeded client expectations and have received a Good to Excellent rating in 98.56% of our overall course evaluations.
