Planning, Implementing, and Maintaining a Microsoft Windows Server 2003 Active Directory Infrastructure

Course Summary

Description

This course includes self-paced and instructor-facilitated components. It provides students with the knowledge and skills to successfully plan, implement, and troubleshoot a Microsoft Windows Server 2003 Active Directory® directory service infrastructure. The course focuses on a Windows Server 2003 directory service environment, including forest and domain structure, Domain Name System (DNS), site topology and replication, organizational unit structure and delegation of administration, Group Policy, and user, group, and computer account strategies.

Topics

- Active Directory Infrastructure
- Active Directory Forest and Domain Structures
- Organizational Unit Structure
- User, Group, and Computer Accounts
- Group Policy
- Deploying and Managing Software by Using Group Policy
- Active Directory Replication
- Domain Controllers
- Managing Operations Masters
- Active Directory Availability
- Active Directory Infrastructure

Audience

This course is appropriate for individuals who are employed or seeking a position as a systems engineer. This course is also appropriate for individuals who currently support a competitive platform who want to enhance their skills using Windows Server 2003 Active Directory.

Professionals who take this course should meet the following entry criteria:

- New to implementing Windows Server 2003 Active Directory.
- Preparing for MCP exam 70-294: Planning, Implementing, and Maintaining a Microsoft Windows Server 2003 Active Directory Infrastructure, which is a core requirement for the MCSE certification.

Prerequisites

Before attending this course, students must have completed a planning and maintaining a Windows Server 2003 Network Infrastructure course, or have the equivalent knowledge and skills.

Microsoft Certified Professional Exams

Exam 70-294: Planning, Implementing, and Maintaining a Microsoft Windows Server 2003 Active Directory Infrastructure

Duration

Five days
